GreenCircle Certification System

GreenCircle Certified, LLC certifies that an independent, third-party evaluation has been conducted for:

SHOWA Best Glove, Inc.

SHOWA NSK24

Menlo, GA

This product meets all the necessary qualifications to be certified for the following claims:

82% Biodegradation in biologically active landfill in 386 days

Biodegradable percentage is calculated on a percent by weight basis and verified through ASTM laboratory testing which demonstrated that the SHOWA NSK24 with Eco Best Technology (EBT) achieved 82% biodegradation in 386 days, while gloves without EBT achieved only 1.9% biodegradation over the same period of time. These results may

not be indicative of future biodegradation.

Certification Number: 23-0303

Certification Period: June 1, 2023 - May 31, 2024

Compliant with: ASTM D5526, FTC Green Guides

*in a biologically active landfill in 386 days based on laboratory testing
